The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. For more than fifteen years, CNCS—through its Senior Corps, AmeriCorps, Learn and Serve America, and other programs and activities—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

In 2009, Congress passed the Edward M. Kennedy Serve America Act (SAA), the most sweeping expansion of national service in a generation. This landmark law not only expands service opportunities, but focuses national service on key outcomes; builds the capacity of individuals, nonprofits, and communities to succeed; and encourages innovative approaches to solving problems.

In alignment with the SAA and the CNCS Strategic Plan, this September 11th National Day of Service and Remembrance Announcement of Federal Funding Availability will focus grant making for fiscal years 2012-2013 in six Focus Areas identified by the SAA:

- Disaster Services
- Economic Opportunity
- Education
- Environmental Stewardship
- Healthy Futures
- Veterans and Military Families

In order to carry out the intent of Congress and to maximize the impact of the investment in national service, CNCS seeks to fund programs that can demonstrate community impact and address community problems through service and volunteering. CNCS also seeks to fund programs that mobilize their communities in service and remembrance to honor those who lost their lives on September 11, 2001 and those who rose in service as result of that tragedy.

For the FY 2012-2013 September 11th Day competition, CNCS will prioritize investment in the

following areas of its work:

- Disaster Services
- Veterans and Military Families, and
- Capacity Building

In accordance with the Obama Administration's emphasis on open government, CNCS has moved toward greater openness and transparency in grant-making. This *Announcement* includes a description of the application review and selection process in Section E. In addition, the following information pertaining to this competition for new and re-competing applications will be published on the CNCS website at (<http://nationalservice.gov/about/open/grants.asp>), within a period not to exceed 90 business days after all grants are awarded:

- List of all compliant applications submitted.
- Executive summaries of all compliant applications.
- SF424 Face sheet and Program Narrative for successful applications.

Publication of this *Announcement* does not obligate CNCS to award any specific number of grants or to obligate the entire amount of funding available.

FULL TEXT OF ANNOUNCEMENT

I. FUNDING OPPORTUNITY DESCRIPTION

1. Purpose of the September 11th National Day of Service and Remembrance Funding

The mission of the CNCS is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. In the Edward M. Kennedy Serve America Act, Congress directed CNCS to focus its efforts in areas where national service can make a major impact, including education, energy conservation, health, economic opportunity for economically vulnerable individuals, increasing service by and for veterans and military families, and providing disaster services.

CNCS is carrying out the intent of Congress by targeting its September 11th National Day of Service and Remembrance funding to support service in the focus areas listed above. In accordance with the SAA, through this *Announcement* and its other activities, CNCS seeks to:

- Direct the power of national service to solve a common set of challenges.
- Expand opportunities for all Americans to serve.
- Build the enduring capacity of individuals, organizations, and communities to effectively use service and volunteerism to solve community problems.
- Embrace innovative solutions that work.

The September 11th National Day of Service and Remembrance initiative grants are made to eligible organizations engaged in service activities that meet vital community needs and honor the sacrifice of those who lost their lives on September 11, 2001, or who rose in service as a result of that tragedy.

A brief description of CNCS' six Focus Areas, additional activities, and definitions relevant to this competition follows:

Disaster Services:

Grants will help individuals and communities prepare, respond, recover, mitigate disasters, and increase community resiliency.

Economic Opportunity:

Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged individuals.

Education:

Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged people, especially children. CNCS is particularly interested in program designs that support youth engagement and service-learning as strategies to achieve high educational outcomes.

Environmental Stewardship:

Grants will provide services that contribute to increased energy and water efficiency, renewable energy use, or improving at-risk ecosystems, and support increased citizen behavioral change leading to increased efficiency, renewable energy use, and ecosystem improvements particularly for economically disadvantaged households and economically disadvantaged communities.

Healthy Futures:

Grants will meet health needs within communities including access to care, aging in place, and addressing childhood obesity.

Veterans and Military Families:

Grants will positively impact the quality of life of veterans and improve military family strength and engage more unemployed Veterans and military family members in National service opportunities that are gateways to economic empowerment and full-time employment.

Capacity Building:

In addition to the Focus Areas described above, grants may also provide support for capacity building activities provided by national service participants. Capacity building activities are *indirect services* that enable CNCS-supported organizations to provide more, better and sustained *direct services*. Capacity building activities cannot be solely intended to support the administration or operations of the organization. Capacity building could include improving the ability of your organization to recruit and mobilize additional volunteers to address critical community needs.

National Performance Measures:

The SAA places clear emphasis on measuring the impact of service and focusing on a core set of issue areas. This landmark law is the foundation of the agency's five-year Strategic Plan, which lays out an ambitious set of objectives that support CNCS' mission and goals. These strategic goals guided the determination of 16 Agency-Wide Priority Measures. Other factors that determined the Priority Measures were: consideration of measurability, achievability, usefulness, demonstrated effectiveness, previous investment, and the need to tell a compelling story of

national service. National performance measures allow CNCS to demonstrate the aggregated impact of all its programs, including national initiatives such as the September 11th National Day of Service and Remembrance.

You will receive funding priority if you propose to use the national performance measures. (The funding priority tiers for this *Announcement* are described in detail below, and the National Performance Measures are listed by Tier in Section IX.)

2. The September 11th National Day of Service and Remembrance Funding Priorities

In the September 11th National Day of Service and Remembrance competition, CNCS expects to direct a significant amount of available funding to programs working in two of the six Focus Areas and/or Capacity Building. Those two priority areas are: **Disaster Services and Veterans and Military Families**.

To meet this goal, CNCS will give priority consideration to applicants in descending order of preference:

- Tier 1:
 - Programs that select Priority Measures in the Disaster Services or Veterans and Military Families Focus Areas. (NOTE: If your program fits these Priority Measures you are **required** to include them. These Measures can be found in Section IX, Tier 1).
 - OR**
 - Programs that select Capacity Building Priority Measures in support of organizations or activities that support the CNCS Agency-Wide Priority Measures (These Measures can also be found in Section IX, Tier 1). Please note that grantees will not be asked to report on the Agency-Wide Priority Measures, merely indicate that the program or organization they are supporting with community volunteers is working to address the outcomes outlined in these Measures.
- Tier 2: Programs that select Supplemental Measures in Economic Opportunity, Environmental Stewardship, Healthy Futures and Capacity Building. (NOTE: If your program fits these Priority Measures you are **required** to include them. These Measures can be found in Section IX, Tier 2.)
- Tier 3: Programs in any of the Focus Areas with self-nominated measures.
- Tier 4: Programs outside the Focus Areas with self-nominated measures.

Proposed programs that receive priority consideration are not guaranteed funding. CNCS will pursue a balanced portfolio across the Focus Areas, and other considerations outlined below in Section 3. Furthermore, programs must demonstrate significant program focus, design, and impact to receive priority consideration.

3. Other Considerations

CNCS especially seeks applicants with multi-state, national (10 or more states) or comprehensive regional focus (for example, the Corporation's clusters listed below) and/or applicants that fund statewide projects, and or those that have congressionally recognized status as Veteran Service Organizations.

CNCS works across five regional clusters that consist of 9 or more states. Those clusters are:

1. Southern Cluster (Alabama, Florida, Georgia, Tennessee, Mississippi, North Carolina, South Carolina, Virginia, West Virginia and Kentucky)
2. Atlantic Cluster (Connecticut, Delaware, District of Columbia, Maine, Maryland, New Hampshire, New Jersey, New York, Pennsylvania, Puerto Rico, Rhode Island, Vermont, Virgin Islands)
3. North Central Cluster (Iowa, Illinois, Indiana, Michigan, Minnesota, Nebraska, North Dakota, Ohio, South Dakota, Wisconsin)
4. Southwest Cluster (Arizona, Arkansas, Colorado, Kansas, Louisiana, Missouri, New Mexico, Oklahoma, Texas)
5. Pacific Cluster (Alaska, California, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming)

Service activities must be directly connected to the September 11th National Day of Service and Remembrance, and occur on or near that day, as well as reflect the tone and tenor of a national day of reflection and remembrance.

All grants must support service activities that address the following:

- One or more of CNCS strategic areas that include: Disaster Services, Economic Opportunity, Education, Environmental Stewardship, Healthy Futures, and Veterans and Military Families with priority consideration given to those that propose to address Disaster Services, Veterans and Military Families, and/or Capacity Building. Special consideration will also be given to proposals that include engaging youth in service, particularly youth who are not in school or are in danger of dropping out and/or unemployed youth, and veterans and military families in service.
- Honor those who lost their lives on September 11, 2001 and those who rose in service as a result of that tragedy.
- Demonstrate opportunities to engage new and diverse groups in service.
- Leverage new public-private partnerships
- Meet an identified community need.
- Provide opportunities to connect to ongoing opportunities to serve.
- Emphasize community connections to Veteran Service Organizations and Military Service Organizations where they exist.

CNCS seeks applicants with demonstrated ability to increase participation in service to meet vital community needs. Applicants should be specific about how they will increase participation on this day of service and remembrance over the two-year grant. CNCS also seeks grantees that will offer ongoing opportunities for individuals to serve throughout the year.

Additionally, CNCS seeks applicants who engage youth, particularly disconnected youth, and where available, veterans and military families in service.

4. Grantee Requirements

In FY 2012, CNCS will award a limited number of grants to outstanding organizations to

implement and support service and remembrance activities that support the agency's mission and priorities, as well as those that honor the lives lost on September 11, 2001, and individuals who rose in service as a result of the event.

Grantees are encouraged to award and manage sub-grants, but may also directly support and oversee local service projects. Grantees that sub-grant must describe the competitive process they will use for determining sub-grants. Grantees will report on project accomplishments whether from sub-grantees or directly managed projects. Grantees are expected to monitor sub-grantees and are accountable to CNCS for the achievement of the intended results set forth in their September 11th National Day of Service and Remembrance proposals.

Grantees are expected to expand participation in the September 11th National Day of Service and Remembrance and connect volunteers to ongoing opportunities to serve.

II. AWARD INFORMATION

1. Funding Available

Based on appropriations for FY 2012, CNCS anticipates awarding approximately \$500,000 for new FY 2012 September 11th National Day of Service and Remembrance grants.

(4) Standard Form 424A Budget

Budget – Year 2012

The budget must describe how you will use grant funds (both federal and non-federal) to support activities described in the proposal narrative. Do not include unexplained amounts, amounts for miscellaneous or contingency costs, or unallowable expenses such as entertainment costs. Round all figures to the nearest dollar. Refer to the Federal cost principles at:

<http://www.whitehouse.gov/omb/circulars/index.html> for information on allowable costs in Federal grants.

We recommend that you prepare your project budget off-line before entering it into eGrants. eGrants will create the budget and the budget narrative automatically from the detailed budget information you enter. For each budget category, you must distribute costs between federal share and grantee share. Budget categories in eGrants are:

Budget Section 1 Categories:

- Project Personnel Expenses.
- Personnel Fringe Benefits.
- Travel. (Please include adequate funding for travel for at least two staff members to two CNCS convenings. For the sake of planning purposes, assume that meetings will take place in Washington, DC.)
- Equipment. (Individual items over \$5,000.)
- Supplies.
- Contractual and Consultant Services.

Budget Section 2 Categories:

- Source of Matching Funds
- Federally Approved Indirect Costs

eGrants will not allow you to validate your budget if you do not meet the match requirements.

Budget Requirements

Applicants must submit a proposed 1-year budget that includes both federal and grantee shares as part of their application. If selected for an award, CNCS will determine the final amount of the award of federal funds, and will negotiate a final budget. Upon award, the approved budget becomes a binding, material condition of the grant.

Proposed and final budgets may only include allowable costs as defined in the applicable cost principles for the award recipient listed below.

- 2 CFR Part 220—Cost Principles for Educational Institutions ([OMB Circular A-21](#))
- 2 CFR Part 225—Cost Principles for State, Local and Tribal Governments ([OMB Circular A-87](#))
- 2 CFR Part 230—Cost Principles for Non-Profit Organizations ([OMB Circular A-122](#)).

Allowable costs under federal awards do not necessarily include all costs that the organization will incur in order to conduct grant-funded activities. For example, the costs of fundraising in order to meet the match are not allowable costs under OMB Cost Principles. The Cost Principles implement long-standing government-wide policy decisions on the use of federal grant funds. Please use the OMB circular that applies to your organization in preparing your budget.

The budgets will allocate allowable costs to either the federal or non-federal share of the total budget.

The non-federal share of the budget must be at least 25 % of the total budget. There is no requirement that the non-federal share of the budget “mirror” or be allocated on the same basis as the federal share of the budget.

As described in the OMB Cost Principles, your budget will include a combination of direct and indirect costs. If you have an approved indirect cost rate for federal grants you must use that rate for any indirect costs included in your budget. CNCS will work with grantees without an approved federal indirect cost rate to help develop and obtain an approved rate.

Matching Funds

If you receive an award you are responsible for securing the required 25% non-Federal share of the budget. Matching funds may come from state, local, or private sources, which may include State or local agencies, businesses, private philanthropic organizations, or individuals. Matching funds may be cash or in-kind support. Federal funds, including Federal block grants being distributed by state or local governments, may not be used towards the match requirement, except under very limited circumstances. Please describe the expected source of your proposed match and, if in-kind, the methodology for arriving at that calculation, for example, the labor or salary rate of an individual or rental rates for use of property or equipment.

(5) Authorization, Assurances, and Certifications

eGrants requires that you review and verify your entire application before submitting by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Attachment A). The individual who authorizes the application must be the applicant’s Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of your governing body’s authorization of this Authorized Representative must be on file in the applicant’s office.

Be sure to check your entire application to make sure that there are no errors before submitting it. When you verify your application, eGrants will generate a list of errors if there are sections that need to be corrected prior to submission.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

3. Submission Dates and Time

Your application is due no later than 5:00 p.m. Eastern time on *March 13, 2012*. Applications must arrive at CNCS by the deadline in order to be considered. (See Section D.2., Late Applications for more specifics). CNCS reserves the right to extend the submission deadline and will post any extended deadline in eGrants.

Notice of Intent to Apply

If you intend to apply, please send a Notice of Intent to Apply via email to: Sept11@cns.gov by February 21, 2012. Although submission of the Notice of Intent to Apply is not mandatory, submitting it helps CNCS plan an efficient application review process. It also allows CNCS to notify applicants directly if application materials are updated. Include the name of the applicant organization, address, contact person, and phone number in your Notice of Intent.

4. Intergovernmental Review

Applicants under this program are not subject to Executive Order 12372 “Intergovernmental Review of Federal Programs.”

5. Funding Restrictions

Grants] under this program are subject to the applicable Cost Principles under OMB Circulars A-21 (2CFR part 220), A-122 (2 CFR part 230, or A-87 (2 CFR part 225, and the Uniform Administrative Requirements for grants under A-102 (45 CFR part 2541) or A-110 (45 CFR 2543 or 2CFR part 21. See www.whitehouse.gov/OMB/circulars for further information on the Circular(s) that apply to your organization. Also, awards will be subject to the law(s) under which the award is made (e.g., Serve America Act), as well as specific terms and conditions established in discretionary grant [or a cooperative agreement] or defined in Provisions or Special Conditions attached to an award. You will have an opportunity to negotiate conditions prior to acceptance of an award, if necessary.
